

Empower a Child Through Education

Did you know that half the population in Haiti is under the age of 18 and 30% of children will not make it to the third grade? Or, that due to circumstances, 60% of children will have to leave school before the 6th grade. Inconceivable?

Why donate through Kay Nou Inc.

Kay Nou Inc., which means “Our Home” in Haitian creole, is an 501(c)3 not for profit organization devoted to providing opportunities for destitute children in Haiti. Through education, we nurture youth so that they may realize their full potential and fulfill aspirations of a better future for themselves and their communities. Kay Nou Inc. seeks to empower Haiti’s youth with the courage and insight to create dreams beyond their circumstances - giving them the chance to take a stand and make positive change in their rural communities.
